- InAmingos
- SnovaTech

PROFILE

I am a second-year computer science and design Engineering student with a strong interest in software development and technology. I am eager to apply my foundational programming knowledge and learn real-world industry skills through an internship opportunity. I enjoy problem-solving, exploring new technologies, and continuously improving my technical and professional abilities. I am highly motivated, quick to learn, and excited to contribute to a team while gaining hands-on experience.

EDUCATION

Bachelor of Computer Science and Design

SNS COLLEGE OF TECHNOLOGY, COIMBATORE

Schooling

Sri Vidhya Bharathi Matric Higher Secondary school, Salem.

OBJECTIVE

Self-Learning – UI/UX Design

Exploring the fundamentals of User Interface and User Experience Design through online tutorials and design articles Learning to use Figma and Canva to create basic layouts and prototypes. Studying design principles such as colour theory, typography, and user flow.
